

Benton Fellowship Kids FAQ

Where should I park?

On the Benton campus, Fellowship Kids is easily accessible from both our front and back parking lots. You can find our Welcome Desk through the doors located in the breezeway. Families with a child in the 5th or 6th grade may prefer to park in the back parking lot located on the west side of our campus.

Is Fellowship Kids Open Both Services?

Our nursery – 4th-grade classrooms are open during both the 9:00 am and 11:00 am services. Our Fifty6 ministry meets during our 11:00 am service only.

How do I register and check-in my child?

- On your first Sunday in Fellowship Kids, you'll be asked to complete a short registration form so that we can assign your child to an appropriate class and make sure that we know any allergies or needs your child might have.
- Once your child has been assigned to a class, you'll be given a name-tag for your child and a pick-up tag with a security code that matches your child's name-tag. One of our Welcome Team members will gladly help you find the classroom and assist you with the drop-off process.
- After the service, your child will be ready for pick-up in the same classroom. The classroom teacher will ask to see your pickup tag with the security code that matches the child's name-tag. This pickup tag with a security code is required for every child being picked up from Fellowship Kids.

What if I lose the pickup tag for my child?

If you lose the pickup tag with security code, the classroom teacher will ask you to visit the Welcome Desk to complete an Authorization to Release Form. The form requires that you show your driver's license and have a Fellowship Kids Staff or Team Leader signature. The process takes additional time, but we want to ensure the safety of every child in our care.

How are classroom assignments made?

Our classrooms are divided based on the age, mobility, or grade of the child, and we will work with you to put your child in a room that best meets their developmental needs while maintaining a safe environment. If your child has a same-age friend attending Fellowship Bible Church, let us know! We will make sure that they are assigned to the same room to enjoy the morning together.

What if my baby needs to nurse during the service?

Our Fellowship Kids wing has a private Nursing Mother's Room available. Our Welcome Team will be happy to show you to the room!

Who will teach my child?

We have the most amazing leaders! These classroom leaders are committed to helping your child have the best morning of their week. Our policies require that every classroom has at least two volunteers. Each leader has undergone a background screening and received training for their role in Fellowship Kids. We want every parent to feel an overwhelming assurance that your child is safe and loved while they are in Fellowship Kids!

What if my child needs me during the service?

If your child should need you during the service, the screens in the worship center will display the security code located on your child's name-tag and the pickup tag. A parent can return to Fellowship Kids where a Staff or Team Leader will meet you to discuss the need. In our preschool classrooms, we will occasionally attempt to contact you via text; this may be to ask a question or get your input on a need for your child.

Are there resources to help me talk with my child about what they're learning?

We're so glad you asked! The Family Discipleship Guide is a great way to continue teaching your child from what they learned on Sunday. Each week of the guide provides a family devotional, family activity, and discussion questions to go along with Sunday's Bible lesson. The Family Discipleship Guide can be downloaded at www.fellowshiponline.com.
