Clay & Lauren Kannard (KIDS: Josh, Ava, Lila, Kian)

After serving and being discipled at Fellowship Cabot, God broke our hearts for the state of the evangelical church in Italy (Out of Italy's 65 million people, only 1% are born again believers). We now serve alongside our Italian partners and church in the global city of Rome, making disciples, planting churches, and training leaders throughout the nation. Our heartbeat is to share our lives with others and to see a church planting movement that impacts the city of Rome and encourages other Italian churches to develop a bigger Gospel-vision for their cities.

They've also been actively involved in church planting throughout the Middle East and beyond.

Jack Meckfessel

I am originally from Little Rock, and I recently graduated from the University of Arkansas. Through my role, I will have the opportunity to disciple and equip the students of GIS to love and follow Jesus.

Joel & Annie Sengoga

At Divine Destiny Ministries we are big on discipleship and multiplication. Our passion is to identify, train and equip emerging Christ-centered leaders that have a heart for disciple making. We unleash these Leaders to transform their communities for the Glory of God. As it is said, we teach what we know but can only reproduce who we are.

Jonathan & Michelle Walterhouse

Jonathan and Michelle serve with the Deaf Ministries Team at Converge International. They are believing God for a gospel-movement among every least-reached people group in our generation. Together, they are working diligently to train, equip, and send out more Deaf people to reach other Deaf with the gospel message.

Rachel Dennis

Hi! My name is Rachel Dennis and I serve in Paris, France with Pioneers. My heart is to share and live out the Gospel among the secular French and the people of Paris who, for many, have never before met a genuine Christian. I am currently recruiting a team that will partner with Gospel-centered churches who seek to plant more churches in Paris. Our vision is to be "Light in Darkness in the City of Lights."
