

## Weddings & Premarital Mentoring

1. To begin, [please complete the Wedding/Premarital Mentoring Application](#). If you want to find out if a date is available for a wedding, you are welcome to email or call Gina Brown, Director of Weddings, at 501-224-7171 or [gbrown@fellowshiponline.com](mailto:gbrown@fellowshiponline.com). To begin the process of reserving the date, you will need to apply. Upon receipt, Jess Sims, Care Administrative Assistant will be in contact to discuss the next step. To see pricing, [please click here](#).
2. Once approved, Jess will contact you to schedule your premarital meeting with [David Bruns](#), Care Pastor and [Trish Monnahan](#), Care and Connections Pastor. During this meeting you will receive further information about the premarital mentoring process, required assessment tools, and also the Nearly and Newly Married Class. Before this meeting, David and Trish request that both the Bride and Groom to have read in full the [Fellowship Marriage Statement](#).
3. With the couple's agreement to follow the premarital process, the couple will complete an online assessment (directions will be provided during the premarital meeting) and All About Me forms. Upon completion and submission of the assessment and forms to Jess, your date will be officially reserved and a premarital mentor couple will be assigned and introduced. You will need to meet with your premarital mentor couple at least four times. Once you have been introduced to your mentor couple, it is wise to check in with your Officiant Pastor to begin setting up meetings with him as well. [Fill out your All About Me Form Here](#).
4. For weddings at Fellowship, Gina will set up a Wedding Guide meeting with the Bride, and anyone else jointly helping her plan, to go over the Wedding Guide (a copy will be provided for the Bride). Facility guidelines and rehearsal/wedding day time frames will be discussed, and the Bride will have time to ask questions and also view the Bride's Room and the Chapel. Answers to frequently asked questions (i.e., pricing, outside officiants, etc.) and much more can be found in the [Wedding Guide](#).

### **A Fellowship Wedding Coordinator will then be assigned who will continue to:**

- Work with the Bride in answering questions
- Help think through logistics and timeline of the wedding day
- Facilitate both the rehearsal and the ceremony (and reception if on-site) to ensure a smooth and memorable wedding event at Fellowship.
