

Storyteller – Cinematographer

Position Focus

Fellowship Bible Church is looking for an experienced storyteller and cinematographer to join the Fellowship Story Team. Our vision as a storytelling ministry is to cultivate a culture of honesty, authenticity, and humility through storytelling in the local church by creating compelling art that leads to gospel-centered transformation in our lives, in our city and across the world. We want to tell stories that bring glory to God, encourage the saints, and lead people to gospel-action.

This person will succeed by helping fulfill our mission with demonstrated strengths in these areas:

Storytelling:

For this position, cinematography will serve as the primary role on the team. This includes short documentaries, ministry proclamation videos, announcements, and general B Roll. While fluency with camera operation is a must, having a keen eye and ear for the direction of the storyline is of the most importance.

Primary skills:

Storytelling, cinematography, photography, interviewing, equipment management

Secondary skills:

Hospitality, editing, design, social media, writing

Team Oriented:

Our projects involve collaborating as a team. This role will need to serve the team with the flexibility to help where needed throughout the production, and a willingness to collaborate creatively with teammates. We will strive to humbly serve each other, because Jesus humbly came to serve us.

Spiritual Maturity:

We seek to share honest and authentic stories of what God is doing in people's lives. Our job as storytellers is not only to create these stories but to pastorally care for our story subjects with the love and truth of the Gospel. A commitment to following Jesus and growing in Gospel fluency is a requirement for this job.
