

WEDDINGS & PREMARITAL PROCESS (MENTORING)

1. **APPLY:** To begin, please complete the [Wedding/Premarital Mentoring Application](#). If you want to find out if a date is available for a wedding, you are welcome to contact I Gina Brown, Director of Weddings, at 501.224.7171 or gbrown@fellowshiponline.com. To begin the process of reserving the date &/or getting a mentor couple, you will need to apply.
2. **PREMARITAL MEETING:** After submitting your application, our Care Assistant will contact you to schedule your premarital meeting with two of our Care Pastors. During this meeting, you will receive further information about the premarital mentoring process, required assessment tools, and information about the Becoming ONE class. Before this meeting, we request that both the Bride and Groom to have read in full the [Fellowship Marriage Statement](#).
3. **ASSESSMENTS | BECOMING ONE CLASS | MENTOR COUPLE:** With the couple's agreement to follow the premarital process, the couple will complete an online assessment (directions will be provided during the premarital meeting) and All About Me forms (provided in the meeting). Upon completion and submission of the assessment and forms, your date will be officially reserved (for on-site weddings). Ideally, the couple would next attend the *Becoming ONE* premarital class. [Click here](#) for the currently scheduled class. After completion then a premarital mentor couple will be assigned and introduced. You will need to meet with your premarital mentor couple at least four times. Once you have been introduced to your mentor couple, it is wise to check in with your Officiant Pastor to begin setting up meetings with him, as well.
4. **WEDDING GUIDE MEETING:** For on-site weddings at Fellowship, Gina will set up a Wedding Guide meeting with the Bride, and anyone else jointly helping her plan, to go over the *Wedding Guide* (a copy will be provided for the Bride). Facility guidelines and rehearsal/wedding daytime frames will be discussed, and the Bride will have time to ask questions and view the Bride's Room and the Chapel. Answers to frequently asked questions (i.e. pricing, outside officiants, etc.) and much more can be found in the Wedding Guide.

Note: After the Wedding Guide Meeting, a Fellowship Wedding Coordinator will then be assigned who will continue to:

- Work with the Bride in answering questions
- Help think through logistics and timeline of the Wedding Day
- Facilitate both the rehearsal and the ceremony (and reception if on-site) to ensure a smooth and memorable wedding event at Fellowship.
